Business and professional people working together to make their community a better place for everyone to live & work

Weirton Area Chamber of Commerce

Who Leads Your Chamber?

The Weirton Area Chamber of Commerce is run by its **Members**. They elect a Board of Directors that determines policies and sets goals. A paid professional manager and support staff handles your Chamber's day-to-day operations. Members become involved in Chamber activities by working on committees. These committees reflect the way of life here in Weirton.

What is Your Chamber?

Your Chamber of Commerce is a voluntary partnership of business and professional people working together to build a healthy economy and to improve the quality of life in your community.

As your Chamber works to accomplish these goals it wears many hats: economic developer and planner, tourist information center, business spokesperson, economic counselor and teacher, government relations specialist, human resources advisor, and public relations practitioner.

Simply stated, your Chamber is business and professional people working together to make their community a better place for everyone to live and work.

Chamber Objectives

As we work to improve the economy and quality of life, your Chamber keeps these broad objectives in mind:

- To help businesses prosper and grow
- To encourage an orderly expansion and development of all segments of the community
- To encourage and promote the nation's private enterprise system of competitive marketing
- To promote local shopping through Chamber referrals
- To distribute relocation information throughout the country
