The Weirton Area Chamber of Commerce is inviting all of Weirton, businesses and residents, to join them as they "Illuminate Weirton." 2020 has been a difficult year for everyone and the Chamber Special Projects and Vision Committees have been working to change that for the upcoming holiday season. Their goal is to light the streets and neighborhoods of Weirton with LED candle luminaries.

"Weirton Chamber Lights of Hope" will take place on Saturday, December 19, 2020. Luminaries can be purchased at the Chamber office for $2 a set. The luminary kit consists of a clear bag and a bright LED battery-operated candle, lasting 60 hours.

Chamber member, Blue Skies Imagery, will be providing aerial drone coverage of different neighborhoods and areas throughout the city. Santa is even taking time off to visit that evening, so keep a look out for him.

The evening will end with a fireworks display around 7:15pm behind the Fairfield Inn on Park Drive. The Chamber would like to thank their Grand Finale Fireworks Sponsor, the City of Weirton, the Firecracker Sponsors: Encompass Health Rehabilitation Hospital of Sewickley, Frontier Group of Companies, Hancock County Savings Bank, Nick's Auto and FirstEnergy Foundation; and the Sparkler Sponsors: Mountaineer Casino, Racetrack & Resort and the Weirton Geriatric Center.

The Chamber hopes this event will become a Weirton holiday tradition that will attract visitors to our city year after year. Let's work together to light our homes & businesses, our streets...and our city!
