

Valley Hospice will be holding its We Love the 50's fundraiser on Saturday, November 3, 2018 at St. Florian Hall in Wintersville, Ohio. Wear your favorite 50's styles and rock through the decade with us! Cocktails at 6:00pm and Dinner at 6:30pm.

All proceeds from this event will benefit the Valley Hospice Unfunded Care and Services Program. Valley Hospice provides care to anyone in need of their services, regardless of their ability to pay. Fundraisers, such as the decade party, make this possible.

Valley Hospice has also developed additional programs and services, for which they are not reimbursed, to support those they serve and the communities they are a part of. Some of those services include: **community grief services**; **A Hero's Salute**, specialized end-of-life care for veterans; **Meaningful Moments**, resources for individuals and families dealing with dementia; and **Bobby's Books**, using books to help build a child's coping skills.

Valley Hospice has been serving communities throughout the Ohio Valley for more than 30 years. We are committed to serving anyone who needs our care, as well as providing support for the community. The proceeds from this event will ensure that we can continue to provide unfunded care and services

RSVP REQUIRED For tickets or to become a sponsor for this great event call 877-HOSPICE or visit [www.valleyhospice.org](http://www.valleyhospice.org).

The Weirton Area Chamber of Commerce strives to present programs that will benefit our members and community. Join today and see for yourself what your investment in the Chamber can do for your business.
