Our 9th Annual Wine & Dine at Williams was wonderful. Thank you to our sponsors HealthSouth Rehabilitation Hospital of Sewickley, Wine & Beverage Merchants, Wesbanko Banking, Insurance & Trust, An Industry Friend of the Community, PS Marketing, Fairfield Inn & Suites, Paper & Press Ink, and Microtel Inn & Suites, along with Jill West and Blue Attack, for helping make this year a success. We are looking forward to next year already!

Our Annual Christmas Parade is coming up on November 24. We have Christmas Fireworks planned again for this year. To make our parade and fireworks a huge success—we need sponsors. We have different levels available, please call the Chamber for details.

This year, we will again be having an **Ice Sculpture Display** on Main Street with an ice-sculpting demonstration in front of Millsop Community Center at 4pm, sponsored by Mountaineer Casino, Racetrack & Resort. The ice sculptures will be 40 inches high by 20 inches wide. They will feature your business logo in color and be illuminated. The cost is \$300. The ice sculptures will showcase Weirton's local businesses and

celebrate Small Business Saturday by remembering that shopping our local businesses should not be just one day, we need to support them all year long. If you are interested in having an ice sculpture, please call the Chamber.

Our 2019 Leadership Ohio Valley class that will start in November 2018. This is a rewarding and enlightening experience, please consider sponsoring someone from your organization to benefit from this program. We would like to have a full class. Applications are available at the Chamber and on our website.

Please join us for the first of several Small Business Seminar Series on October 18. Presented by First Microloan of WV, *The Power of Digital Marketing*, with Jake Young, owner of Mobilize 360 Apps, will cover digital marketing and employee engagement, as well as, the impact of the digital age on marketing. Chamber Business Spotlight

The UPS Store in Steubenville is celebrating its 10th Anniversary of business with a store remodel and by joining the Weirton Chamber of Commerce. Stephanie Rivers, a U.S. Navy widow and single mother of five children, became the sole owner of the store in May 2015. Since Stephanie took over sole ownership of the franchise, the tiny store has now received the Top 10% Revenue Growth awards a total of 26 times. The UPS Store corporate offices present these awards to stores that increased by at least ten percent in same store sales for different sales categories when compared to the previous year's sales. Those revenue numbers must also put them in the top ten percent, nationwide, among the more than 4,000 stores in the UPS Store Franchise network.

Rivers' goal is to continue the growth pattern for the store's printing, binding and document shredding services.

The UPS Store has a graphic designer on staff to help polish all your printing needs from business cards, marketing flyers, wide-format poster and promotional item needs. The store also has notaries on staff and provides traveling notary services within Jefferson County for a small fee, with appointments made ahead of time. Their newest offered service is secured document shredding in small or bulk amounts. The locally owned business is your one-stop-shop for many of your various printing, packaging and shipping needs. The store offers UPS shipping services including freight as well as United States Post Office and DHL International shipping.

In the past three years the store's staff has increased from three employees to seven. The UPS Store Steubenville is located at 117 S. Hollywood Blvd in the Kroger Hollywood Plaza. Hours of operation are 8am-6:30pm Monday-Friday and 9am-3pm on Saturdays.
