

**McCauslen Any Occasion-Weirton:** Due to the COVID-19 virus, we have decided to be pro-active in helping to contain the spread of the virus. Starting tomorrow, March 17th through Saturday, March 21st, we will be closed for walk in customers. Additionally, we will not be delivering to the hospitals or nursing homes as to not compromise the health of the patients and residents. We're in contact with the local funeral homes to ensure our availability for any needs that may arise. We will still be answering the phones and taking orders over the phone. Please call 304-748-4525. We will re-evaluate at the end of the week and will watch any local or national guidelines that are recommended. Thank You for your understanding and cooperation during this time.

Mary
