

At **Twister Restaurant** our customers are our number one priority. Because of that, we are following Governor Wolf's mandate to close our indoor seating area. This does not mean that we are closed completely. We will still offer our full menu to go, which includes hard serve ice cream, through our take out window. Please know that we are taking every precaution in the kitchen while prepping your food. We are heightening our already vigorous cleaning routines to keep you and your family safe. Thank you for your understanding and for helping your small business owners during this extremely trying time. Check our Facebook page "Twister Restaurant and Icecream" for updates. Contact phone number for orders is 724-729-3038. Contact phone number for orders is 724-729-3038
