

## President's Corner

Members,

2022 was a good year for the Chamber and we have you to thank for it. Your dedication and support of what we do means more than you know. We had 36 new members join our Chamber family. We are dedicated to helping all our members reach their expectations. We strive to keep you informed with information that comes our way that may be relevant to you and your success. Our goal moving forward is to continue in that manner...putting you first and foremost. So, we are jumping head first into 2023 and planning our events.

First up, is our Annual Membership Meeting and Banquet taking place on March 28, 2023 at Undo's Weirton. Sponsorship information is included as this month's insert. Details on how to purchase your tickets will be available soon. Our banquet is always a popular event and is a great way to network and meet other Chamber members.

This year we are introducing two **NEW** events. The Membership Committee is planning a "Surf and Herf" (a crab boil and cigar night) that will take place on May 19th and our Special Projects Committee is planning the long awaited "Ladies Night Out" for September 28th. Details on both of these events will available later this year.

We are happy to be bringing back our Leads to Success Breakfasts & Lunches and our Business After Hours events. Both events are a great way to showcase your business and network

with other Chamber members. It's never too early to schedule, please call the Chamber to host one of these events.

Our Digital Directory is growing. More and more businesses are taking advantage of the great advertising opportunities within the directory and we're adding more content to promote our local area. Our *Shop Around Your Hometown™* spread is now live and we are beginning work on showcasing our retail businesses. Details on how to have your business featured will be emailed soon...keep an eye out!
