Chamber Business Spotlight

Dear Friends and Family,

Thank you all for all of your support you have given to us. We had a blast last year with 'Putin' on the Ritz', which was a major success and helped us fund our 3 family friendly events we held throughout the year.

Hancock County Parks & Recreation is planning for our upcoming event "[A Night on the Titanic](#)". This will be held at T. Kosciuszko Hall: Home of Giometti Catering and B4 Burgers in Weirton on March 11, 2023. For this event we're hoping to provide a night of fun and mystery for the community, or anyone that would like to join us!

This event is a fundraiser for Hancock County Parks & Recreation so that we can continue to provide for the community through our parks, as well as improve on what we have at our parks currently. Due to this goal, we are looking for sponsors. The support of our sponsors allow us to make much needed changes to our park equipment and to help us host events that give back to these locations, as well as get the community together. We want to see our parks grow to their fullest potential, and the funds raised from this event will go directly back to these parks and events to make sure that we are always providing what is needed from our organization. Through this event, we hope to see everyone come out, have the best time they can, and meet the Hancock County Parks & Recreation members.

"So, you wanna go to a real party?" If so, we hope to see you at "A Night on the Titanic!" Please consider a donation or a [sponsorship](#) so that we may continue to serve the community.

Thank you,

Nick Travis, *President, Hancock County Parks & Recreation*
